Illinois Freedom of Information Act — 5 ILCS 140/9.5

To: Public Access Counselor, Illinois Attorney General
public.access@ilag.gov
Public Body: Wayne County Housing Authority, Illinois
Requester: [REDACTED]

I request review of the Wayne County Housing Authority's failure to respond to my written request for public records.

On Friday, October 16, 2026, at 9:24 p.m., I emailed the Authority at wayneha@midwest.net. My email included a specific request for public records under the heading “Immediate request for the procedure and supporting records.”

The requested records include the Authority's grievance procedure and adoption records, records concerning tenant notice and opportunity to comment, and documents directly relevant to the allegations and maintenance decisions described in my email.

As of October 27, 2026, I have received no response, denial, extension notice, or other communication addressing my records request.

I ask the Public Access Counselor to review the Authority's failure to respond and determine whether it has complied with its obligations under the Illinois Freedom of Information Act, including 5 ILCS 140/3 and 9(c).

I have attached a copy of my original October 16, 2026, email containing the records request. No response from the Authority exists to attach.

I certify that the information provided above is true and accurate to the best of my knowledge.

Respectfully,
